Notes:

1) Main module – must be included in each installation.

2) Filling, printing and archiving of consignment notes. CN CIM/CUV is copyrighted and the property of CIT Bern. CIT Bern provided JERID with rights for using this form pursuant to the contract about cooperation. According to this contract, JERID is bound to gather and hand over the information about distribution sets of CN CIM/CUV.

3) JERID holds a license for printing documents onto a white paper, which can be used for dispatching of consignments to PKP CARGO S.A. By request of a client, we provide the client with formalities connected with obtaining the licence for users of ERIC Desktop at the price of 128 EUR.
